

Dear St Michael's Church team,

**St Michael's Church is truly amazing!**

On behalf of Witkoppen Clinic and our beneficiaries, I would like to thank you for the generous donation of soup and non-perishable food items that were received on 16<sup>th</sup> August 2022. Your donation will ensure our Dietician and Social Services team are able to provide the best possible service to our malnourished and under-nourished patients!

It is only through impactful donors like yourself that we are able to achieve our Vision, which is "to be the best primary healthcare (preventative and curative) and social service provider in South Africa that researches, innovates and responds to evidence-based best practice".

As a non-profit organisation, we depend entirely on donations and partnerships to remain efficient, operational and sustainable. As such, we are ever-so-grateful to you for the continuous support!

Please extend our appreciation to all stakeholders involved in making the donation possible.

Kind regards,
